POWER LIST

A comprehensive list of the 25 most powerful executives of
logistics companies in the Middle East

Tristar Group CEO under Power List of Logistics Middle East Magazine

Logistics Middle East Magazine has named Tristar Group CEO, Mr. Eugene Mayne, as the 22nd most powerful logistics executive in the Middle East and North Africa Region. Every August the magazine announces the 25 most influential executives from the warehousing and transportation sector. The Power List is now on its fourth year.
