

## Tristar Leadership Summit

Group CEO Eugene Mayne presented the 5-year strategic business plan before more than 30 senior managers coming from various countries and group functions at the first ever Tristar Leadership Summit. The gathering was held at the Tristar Head Office Training Room and Jebel Ali Resort on December 12 and 13, respectively. Aside from listening to the various yearend accomplishments, the senior managers participated in several team building activities and workshops on both days.
