

## Special Commendation at the Golden Peacock Global Awards for Sustainability 2019

Tristar Group has been awarded the Special Commendation for the Golden Peacock Global Award for Sustainability 2019, highlighting Tristar's commitment to achieving leadership in sustainability and its dedication to managing the business to the highest health, safety, environmental and compliance standards. Group CEO Eugene Mayne received the award at The Montcalm Hotel in London as part of the Institute of Directors, India's Annual London Global Convention.

Mr. Mayne gave a Special Address at the convention opening on November 13th held at the House of Lords. He was also a speaker at the plenary session on sustainability held on November 14th where he joined a panel of industry leaders who discussed the importance of sustainability in relation to the 17 UN Sustainable Development Goals.
