

Tristar Global CSR Week

Tristar has launched its first ever Global CSR Week by celebrating World Environment Day (WED) and World Blood Donor Day from June 5 to June 11 across its global network. The WED theme for 2015 is 'Seven Billion Dreams. One Planet. Consume with Care.' The World Blood Donor Day is actually on June 14, but Tristar has already conducted it this week in the Pacific island of Guam, Haiti, Democratic Republic of Congo, Kuwait and UAE. Tree-planting activities were also held in some countries.
