

Tristar to invest AED 75M in new chemical warehouse in Jafza

The upcoming Tristar chemical warehouse and bagging plant worth AED 75M will be the first silo and bagging facility of its kind in the Jebel Ali Free Zone (Jafza). This was announced by Tristar Group CEO Eugene Mayne today (August 11) at the ground-breaking ceremony with Skeberis Plastics Managing Director Reinhard Fischer and Jafza officials led by Group Chief Finance Officer Asim Al Abbasi and VP - Customer Relations & Development Omar Bin Hendi.
