

Commemorating World Day of Remembrance for Road Traffic Victims

The UAE, Oman, Pakistan, South Sudan, Central African Republic, Somalia and Kenya operations of Tristar commemorated World Day of Remembrance for Road Traffic Victims by organizing internal and external awareness activities on road safety. In Dubai, the HSE Team launched the campaign 'My reason for safety... I want to go home to my family every day' before drivers at the staff accommodation. There are almost 1.3 million deaths from road accidents every year according to the World Health Organization.
