

Tristar Inaugurates CSR Project in Kenya

Tristar Group CEO Eugene Mayne inaugurated the company's CSR project at the Kiserian Primary School in Kajiado County, Kenya, which comprised new sanitary facilities for both boys and girls, with Bio-digesters, modern cisterns and flowing water, and sanitary bins and hand wash dispensers. The school's assembly area was also renovated to make it a good place for the students to assemble and play especially during the rainy season. The school has a population of more than 2,000 students and almost 50 teachers.
